LORRI KEY, LCSW/MPH

Over the years, I developed a passion for working with women who want to redefine themselves and renew their sense of purpose. I provide counseling services for women who are tired of worrying, feeling defeated, or just want to try something new in their career or personal life.

As a preacher's kid, I have a heart for those who are want to keep their faith in Christ while also doing the work with a counselor to heal. My goal is to do my part in ending the stigma of seeking mental health care in our community. Life can be hard at times, but you don't have to go it alone.
